- 1 bottle of hand sanitizer (labeled with student's name)
- 1 Agenda (\$10, purchasable from the school)
- 1 Headphones for Chromebooks
- 1 Reusable Water Bottle

Please Note:

- All supplies should come to school in labelled ziplock bags. This is especially important this year as we are not allowing shared supplies due to Covid-19.
- Please make sure to **label everything**, even pencil crayons and markers.

Physical Education Supplies:

- Non-scuff running shoes
- St. Emile t-shirt and shorts - purchased with uniform
- Bag for gym clothes
- Deodorant (no spray)

Notes to parents/guardians:

- Please make sure to label everything, including pencil crayons, markers, school and phys. ed. uniforms, hand sanitizer, etc.
- Please ensure that you purchase unscented hand sanitizer as some students and staff are allergic to strong perfume scents.
- Small dry erase/white boards will be used by students to respond to whole class questions and quizzes as a way to assess their understanding of a topic. They will also use their boards as 'scratch paper', which will reduce the cost of paper. Dollarama boards are not durable and tend to stain.
- I will purchase the remainder of the regular classroom supplies as needed (e.g., art supplies, dry erase/white board cleaner and cloths). Supplies for Projects
- Additional supplies may be requested throughout the year.
