Dear Parents and Guardians,

RE: School Lunchtime Behaviour Expectations and Consequences

At St. Emile School, all students are able to and have the privilege to stay for lunch. As we continue to grow in population, lunchtimes have become more busy and we want to remind parents and students what the expectations are for lunchtime behaviour.

The expectations for all K-8 students are:

- Quietly visit with your table mates or neighbors in the class.
- Listen to and respect your classroom teacher and supervisors.
- Remain in your seat during the lunch period. For students who have lockers, they are not allowed to hang around their lockers during their lunch time.
- Use the washroom facilities at the beginning and end bells of the lunch time.

The consequences for not following the expectations above are:

- The student will be given a reminder of the expectations.
- The student will be removed from the classroom to eat their lunch at a table in the hall or in another room/alternate setting. A notice will be sent home.
- The student will be removed a second time and a second notice will be sent home.
- After 3 removals from the classroom for inappropriate lunchtime behaviour, the student will be asked to call home to explain his/her behaviour, and the student will meet with the principal/vice-principal to resolve the issue.

We thank you in advance for your support, cooperation, and understanding.
