We believe in working in partnership with the Parish, seeking to be part of its mission and outreach to the community.

We believe in providing inclusive education to meet the needs of all learners.

We believe in promoting educational experiences to support all students' success.

We believe in presenting opportunities for service and mission that encompass local, national, and global needs.

We believe in maintaining our commitment to effective Professional and Spiritual Development for staff.

We believe in planning responsibly for the future growth and needs of the school.
